

Toyota UK 2007 Hiace Powervan Conversion

Vehicle Specification

Length: 4.71m/15ft 5.5in
Width: 1.80m/5ft 10in
Height: 2.10m/6ft 10in (*hi-top roof*)
 2.55m/8ft 4in (*elevating roof*)
Engine: 2.5D4D

Specification: As standard: drivers airbag, ABS, central locking, electric windows, side sliding windows, armrest front seats, power steering, 5 speed manual gearbox, armrest front seats, Toyota warranty, stereo, passenger swivel seat etc

Information: The Toyota Powervan will be fitted with a 2 berth hi-top fixed roof and Wellhouse full side conversion. As with the Toyota Granvia you can access the rear of the vehicle without getting out and the passenger seat will have a swivel base fitted. The Toyota Powervan is available with a 5 speed manual gearbox and the colour is polar white. The UK Toyota Powervan comes with a UK Toyota warranty and Wellhouse conversion warranty. The width of the vehicle means that the rock and roll bed is a very comfortable 6ft x 4ft.
